

Parents,

I am looking forward to working with your son or daughter next year!

Please email me as soon as possible so that I can create a mailing list for communication during the summer as well as next year:

School Supplies for 2011-2012

Each student will need:

- 3 one-subject spiral notebooks
- Pencils

For the classroom, I am asking for the following supplies:

- If your last name begins with A-D, please bring 2-3 blue or black dry erase markers, a large bottle of hand soap, and a package of 24 Crayola colored pencils
- If your last name begins with E-L, please bring 2-3 blue or black dry erase markers, a large box of Kleenex, and a package of 10 broad line Crayola markers in assorted colors.
- If your last name begins with M-Z, please bring 2-3 packages of Post-It notes, a package of 24 colored pencils, and a package of 10 broad line Crayola markers in assorted colors.

Note: If you wait until July or August, the school supplies are very inexpensive at Walmart.
