9. Teacher Representative Report (5 min)
 - Denise Gilson: middle school mixed grade elective T/Th afternoon Math Lab (will have 4 differentiated groups), rock band (voice and instrument separately), art/sculpture, leadership lab
 - After 9 weeks, kids can petition to change electives
 - Hope to add STEM/Sci Oly 9-week component
10. Business Manager's Report (10 min)
 - See report online
 - Mary met with Rhiannon Crespin at District Office, asked if district received PE units in funding formula. They do get it for 740 elementary students (translates to 42 units). Also talked about bond money, and how it comes to the charter vs. how brochures described bond issue. In three bond brochures CVCS was listed as line item. In most recent (from Feb.), not much description of how it will be used. Friday at 1pm, audit committee meeting at district, maybe after that, Ron, Kim, Mary and Rhiannon can meet and discuss how the money will be dispersed. Rhiannon asked about charter renewal, as district might suggest reducing allowable enrollment; District's Facility master plan (5 year) expires 2017, required to include CVCS in that plan, generally made by a

consulting company, need to make CVCS needs clear to them (e.g., intercom system, bond funds to make loan payments).
