

CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

Many Students Need to Pick-up Report Cards

Your child should have brought home a report card two weeks ago. If you did not receive one or have a question about the lunch bill or overdue book notice, please call Jill. You may return books and pay lunch bills in the library and pick up your child's report card. Thank you!

We made it! 137 students returned signed release forms for Picaboo Yearbooks, so the check is essentially in the mail. This is a huge fundraiser-\$8,000 over the next four years. THANK YOU for taking the time to sign the paper. It is greatly appreciated.

The 8th grade is collecting canned goods for the Socorro Storehouse. You may drop the food off in the box in the library.

A HUGE thank you to everyone who made a donation and/or brought money to participate in the raffle-auction to raise money for Rocio's husband. The student's had fun thinking about odds and the chances of winning, so it was fun AND a good math lesson! And all for a good cause...

Yearbook sales begin this week! A flyer will be sent home with your child.
