CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

CVCS Dress Policy

Parents and students: We noticed that some students were not complying with the CVCS Dress Policy, so we have started each morning with a “dress check”. Students who are not wearing appropriate school clothes are sent to the office to change into borrowed clothes from the clothes bank or to call home for a parent to bring proper clothing for the day. Please help us by checking your child for proper school clothes before your child gets to school.

Thank you!

MOST COMMON DRESS POLICY VIOLATIONS:

SHIRTS WITHOUT COLLARS, JEANS WITH HOLES, CAMOUFLAGE
