Kindergarten Begins Penny Drive

Mrs. Abraham's kindergarten class had a guest speaker from Claws & Paws Rescue and the students learned about cats and dogs and the important role the Socorro Animal Shelter plays in finding forever homes for pets. The students want to help homeless animals, so they are sponsoring a fundraiser to help animals in our community. A donation can be located in the school library, on the front desk. The money donated is used to fix the animals, as well as buy medicine, food, and replacement milk for rescued animals. This is also a math activity for the kindergartners who are learning the value of coins, so we appreciate your donations! The class is also looking for 25 small tins (ex. Altoid) for a class activity.

Please take a minute to look at the new CVCS website!
