CVCS Mission Statement

CVCS offers a rigorous academic program designed to meet the individual needs of each student. CVCS will promote leadership, civic responsibility, and environmental awareness. Through community engagement, CVCS students will understand their effects on the world around them. The School offers the community a parent-driven public school choice in which teachers, students, and parents are partners.

Science Night Approaching!

CVCS presents Science Night '15 on Thursday, February 12, 5:30pm-6:30pm. There will be a VERY important parent meeting from 5:30-5:40 regarding the spring semester at CVCS.

We are looking for people interested in science who would like to present or volunteer at an activity table at Science Night '15. If you are interested, please contact Belle Rehder at brehder@cottonwoodvalley.org.

Thank you!

CVCS Cell Phone Policy

The CVCS cell phone policy states "cell phones MUST be off and stored in backpacks during the day". Many students are carrying their cell phones with them and using them during class and lunch. Teachers will be confiscating cell phones that are out of backpacks. Students must use the school phone to call a parent. After the first offense, cell phones may be picked up at the end of the day in the office. Any offenses after the first will result in a parent having to come pick the cell phone up after a certain amount of days. If you have any questions regarding this existing policy, please contact Mrs. Schaffer.

CVCS Superstar

Profile age: 9 grade: 4th years attended CVCS: 2

Fried food: French fries

Emma Montoya

If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do? I would make a hammock and lie with the bird.

Emma has a younger sister, Grace-5. She has two cats named Sophie and Abbie. In her free time, Emma likes to swim at the pool, read books, and play outside. Emma once fed a stingray! When Emma grows up, she wants to be a pediatrician. Congratulations, Emma, you are a superstar!
