If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do? I would make an oval, put a coconut over the twine and make a hole with the hammer to stick the parrot in. Then I would make a bed and some shade.

Raylynn has a younger brother, Steven-6. She has two goldfish named Isabella and Bubble. In her free time, Raylynn likes to play outside, take naps, and sleep in. Raylynn has been to Fort Worth, Texas. When Raylynn grows up, she wants to be a designer and make up specialist. Congratulations, Raylynn, you are a superstar!
