If you were stuck on an island with a hammer, a parrot, and the world's largest ball of twine, what would you do? I would make a raft from the twine and surrounding trees, use the hammer as a tool, and teach the parrot to talk so I had a friend to talk to.

Josh has an older brother, Jacob-17, and a younger sister, Sarah-4. In his free time, Josh likes to play golf, soccer, and shoot his bow. Josh visited Salt Lake City, Utah to watch the USA Men's National Team play a World Cup qualifying game against Honduras. When Josh grows up he wants to be a professional soccer player. Congratulations, Josh, you are a superstar!!
